Alexandria Carlson, Licensed Esthetician

AlexandriaPG0125@gmail.com · 815-210-6290

Dear Alexandria,

Welcome to Hello Gorgeous. I am glad you are joining us.

You already bring a licensed esthetician background (2020), a lash-extension certificate (2021), guest-service and spa-desk experience, and real time in medical and cosmetic offices — SkinOvatio, CSC Steil Dermatology, Tricoci. That is a strong chair. Here we will put it to work on lashes, laminations, HydraFacial, and dermaplaning — and laser only after we train and certify you and I sign you off.

This letter is **for you**. It is not an internal memo. Please read it with your offer letter, team handbook, and onboarding packet. Those have the details you sign. This one is the hello.

WHAT YOU ARE WALKING INTO

Hello Gorgeous is a medical aesthetics practice in downtown Oswego. Clients come for a natural, confidence-first result — not an overdone look. Your lane is **esthetics and lash services**, part-time, 1099. We will lock your specific days and times on the offer (I fill those in). The first **90 days** we will review in writing so we both know how it is going.

WHAT YOU WILL DO

- Lash perm / lift and tint
- Lash and brow lamination
- Full sets and fills
- HydraFacial and dermaplaning facials
- Laser — **after** proper training, certification, and written sign-off. Not before.

HOW WE START

Send signed papers, your Illinois esthetician license, W-9, and liability certificate to **provider@hellogorgeousmedspa.com**. We verify the license on IDFPR before your first paying client.

I am looking forward to this.

Danielle Alcala
