(630) 636-6193

This letter is for you — not an internal note. You are offered a **1099 independent-contractor** role as our Licensed Esthetician (part-time). Hours, start date, and pay are filled in below by the owner before you sign. The first **90 days** are a written review period.

Dear Angel,

I am pleased to offer you this engagement with **Hello Gorgeous, P.C.**, d/b/a Hello Gorgeous Med Spa, at 74 W. Washington Street, Oswego, IL 60543.

This is a **1099 contractor** role, not W-2 employment. You handle your own taxes and your own professional liability insurance. You treat only within your Illinois esthetician license and our written protocols. You do not prescribe. You do not inject.

1. YOUR ROLE

- Consult, recommend the next right service, and take care of the client in the chair.
- **Lash perm / lift and tint**
- **Lash lamination and brow lamination**
- **Full-set lash extensions and fills**
- **HydraFacial and dermaplaning facials** (and other facials on our menu you are trained to perform)
- Chart the same day, consent before treatment, sanitation, rebook, Google review ask, HIPAA.
- **Laser / energy devices:** only after clinic training, required certification, and written sign-off. Not on day one.

You report to **Danielle Alcalá**, Owner.

2. 90-DAY REVIEW

From your start date, the first **90 calendar days** are an introductory period. We will complete the written 90-day review on or about day 90. Either party may end this engagement with written notice during or after that period. Completing 90 days does not guarantee more hours or a W-2 job.

6. BEFORE YOUR FIRST PAID CLIENT

Signed offer, handbook, and onboarding packet · Illinois esthetician license copy (we verify on IDFPR) · W-9 · your own professional liability COI covering esthetics / lash / facial work (typical minimum \$1,000,000 / \$3,000,000 unless Danielle agrees otherwise in writing), certificate holder Hello Gorgeous Med Spa, 74 W. Washington Street, Oswego, IL 60543 · bank information for Square. Email to provider@hellogorgeousmedspa.com. If your license or COI lapses, you stop treating that day. Laser: extra cert + written privilege before you treat.

7. CLIENTS AND LOYALTY

Clients, charts, photos, and price lists belong to the Practice. While you are on this engagement you do not book or treat for another med spa during Hello Gorgeous scheduled hours, and you do not take our clients with you. Either party may end this engagement with written notice. Keys, badges, and portal access are returned the same day.

This outline is for you to accept. Illinois counsel should review contractor classification and terms. It is not legal advice to you.

I am excited to do this with you.
