INMODE

INTRODUCING THE BEST VERSION OF YOU.

Morpheus8 has become so popular that consumers and celebrities ask for it by name.

Discover Morpheus8 Burst and Morpheus8 Burst Deep, InMode's advanced bipolar radiofrequency microneedling devices. These innovative technologies deploy clinically proven fractional radiofrequency (FRF) energy to contract loose tissue and reveal natural-looking results. The devices are designed to target areas of concern precisely and provide customizable, highly efficacious treatments you will love.

ADVANCED TECHNOLOGY. ENHANCED TREATMENTS. EXCEPTIONAL RESULTS.

MORPHEUS8 *burst*

Morpheus8 Burst is the ultimate skin treatment trusted to deliver optimal results to contract skin and address irregularities in smaller body zones. It delivers precise energy to multiple depths, stimulating the underlying layers of the skin to reveal a more radiant, youthful appearance without surgery.

MORPHEUS8 *burst deep*

Morpheus8 Burst Deep is an advanced solution for skin contraction in larger body areas. It's large surface tip provides the deepest levels of targeted energy available. Trust Morpheus8 Burst Deep for safe and highly efficacious results.

Morpheus8 Burst and Morpheus8 Burst Deep offer the best-in-class technologies to provide the exceptional results you expect. Take control of your face, body, and self-confidence.

Look as incredible as you feel.
